Letter of Recommendation

I have known Bill Szymanski for over 21 years. In that time, he has represented himself and his company in a very professional manner. Bill has a balance of time tested experience and relates well to clients, the trades and government agencies alike.

I would recommend him personally and as a builder to any owner expecting quality construction and timely performance.

If I can be of any further assistance, please don't hesitate to contact me.

Very truly yours,

Thomas K. Benedict, Architect
President
